*Courses may be cancelled or modified due to low enrollment. Enrollment in SPAN 4090 and SPAN 4190 is contingent to the number of organizations that will agree to work with the program.

I understand that submitting an application for a study abroad program does not guarantee acceptance into the program. Candidates must meet program requirements and be approved by the program's faculty coordinator. Participation is also subject to availability; some programs fill up early.

I further understand that the program or individual courses may be cancelled due to low enrollment or other factors and I understand that I will be informed of such a decision no later than 6 weeks before planned departure date or as soon as possible after any adverse circumstances that cause the program to be cancelled. I also understand that exchange rate fluctuation and/or inflationary conditions may necessitate that the program raise fees above previously advertised rates between the time of admission and the beginning of the program.
